Your Quote

Your quote may include 2-dimensional renders of all of the cabinet doors, drawer fronts, and cabinet boxes in the quote. The cabinet doors, drawer fronts, and boxes are all priced live on the site and may be changed without notice. Any changes made to items being ordered once the quote is received, will void any and all information in this quote. Pricing on a quote does not include shipping, taxes, and/or processing fees (if applicable), which will affect the grand total cost of the order. Actual door style, finish, and general appearance may vary from 2-dimensional render.

The Fine Details

This quote is the estimated cost from the cabinet boxes and related products that you have requested. The information provided in this quote is based on the information provided by you, the requester. To ensure proper pricing, you must read and confirm all items are correct (Style, Width, Height, Depth) prior to completing the ordering process.

We Work hard to give the most accurate information possible, however mistakes can be made. It is imperative that you review and confirm all items prior to finalizing any purchases.

I can also provide you the service of building a cart for you based on this quote.

Pricing on our site is listed per unit, and effective the day the quote is initiated. All prices listed are subject to change without notice. Any changes made to items being ordered once the quote is received will void any and all information in this quote. Pricing on a quote does not include shipping, taxes and/or processing fees (if applicable), which will affect the grand total cost of the order.

Drawer Box Information

Our drawer boxes feature dovetail construction and feature 1/2" thick sides and 1/4" thick bottoms. Please reference the additional notes and itemized quote section for specific material, sizing considerations, and options. Drawer glides are not included.

Full Access (Frameless) Cabinetry

Our frameless cabinets are made from 3/4" Purebond plywood that is edge banded on the front (all cabinets), top and bottom (upper and tall cabinets). base cabinets have top spreaders and not a solid top. The standard interior for our framed cabinetry is UV resistant clear finished maple veneer, other options are a white melamine, or a raw paintable or stainable veneer species matched to the front edge banding. Any non standard interior finishes will be reflected in the additional notes section.

Our frameless cabinets feature the Lamello tensioning construction system; additional 3mm pilot holes are provided so you can use wood screws for additional reinforcement. We strongly encourage the use of applied panels to cover any exposed sides. Adjustable shelves are 3/4" thick. Cabinets with adjustable shelves are line bored with 5mm shelf pin holes on 35mm centers. Shelf pins may or may not be included in the quote. Additional options include an optional leg leveler system with or without a toe kick for all base and tall cabinets and a wall suspension system for all upper cabinets.
